## Before you collaborate

A little bit of preparation goes a long way with this session. Here's what you need to do to get going.

10 minutes

- A. Team gathering**  
Define who should participate in the session and send an invite. Share relevant information or pre-work ahead.
- B. Set the goal**  
Think about the problem you'll be focusing on solving in the brainstorming session.
- C. Learn how to use the facilitation tools**  
Use the Facilitation Superpowers to run a happy and productive session.

- it controls various parameter son their fields
- it can fulfil the customer's needs
- serve variety of electronic services to villages
- IOT provide integrated platform to farmers
- it will automatically monitor all the activities of
- it can show the fertility of the land, so, farmer can use the
- Help farmers for intensive

### PERSON 4

- Software interface will be
- Ensure digital and its awareness
- It includes to increase economic
- High accuracy of field encryption
- It can be easy to use by controlling the device
- High accuracy of field encryption

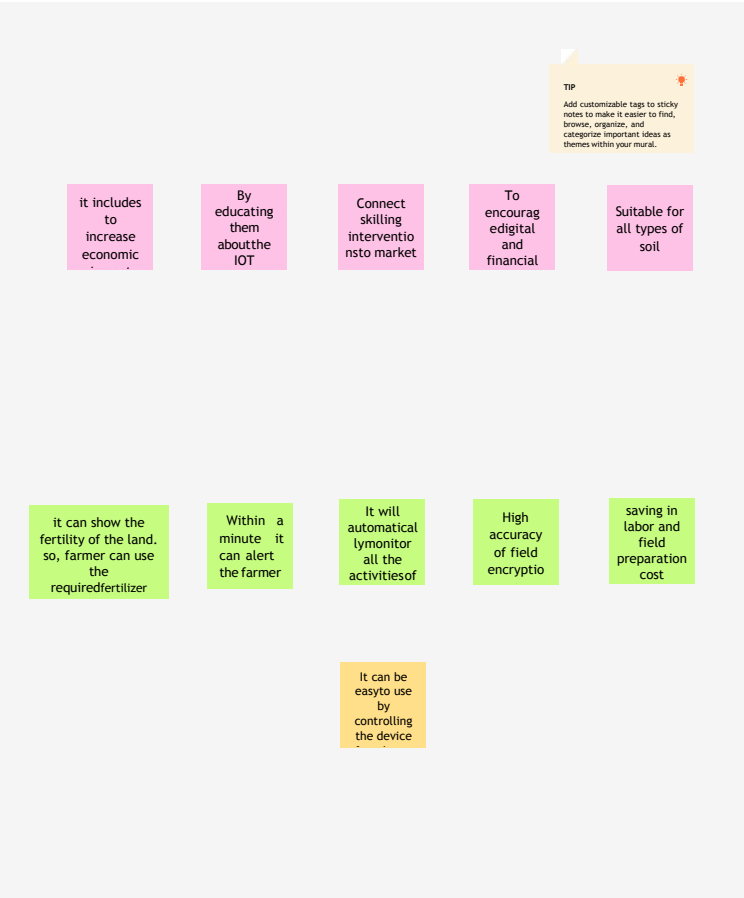

**TIP**  
You can select a sticky note and hit the pencil [switch to sketch] icon to start drawing!

**TIP**  
Add customizable tags to sticky notes to make it easier to find, browse, organize, and categorize important ideas as themes within your mural.

## Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.

20 minutes

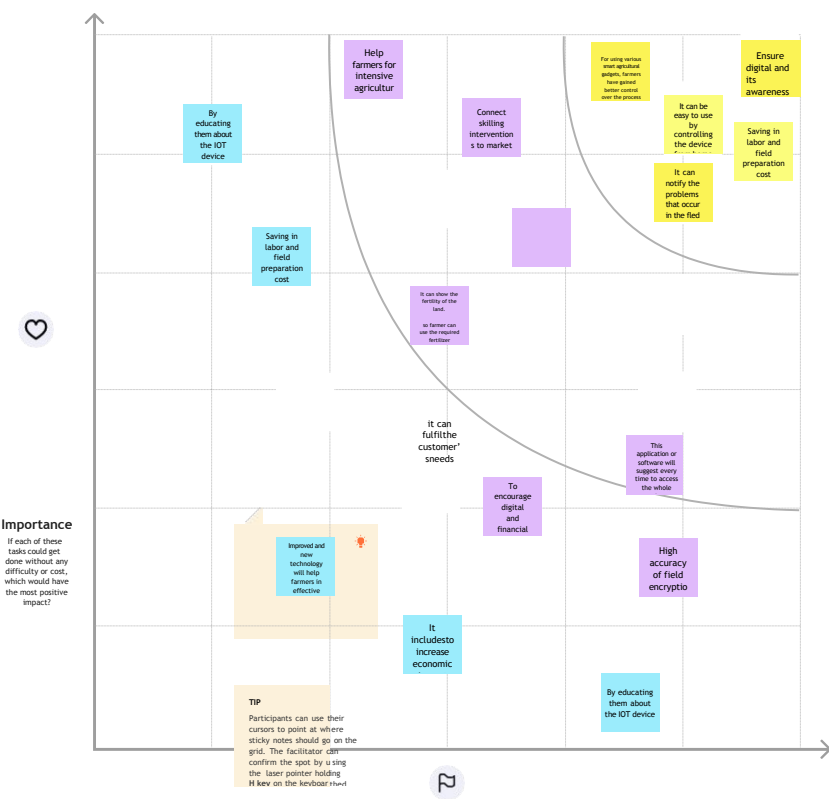

3

## Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

20 minutes

4

## After you collaborate

You can export the mural as an image or pdf to share with members of your company who might find it helpful.

### Quick add-ons

- A. Share the mural**  
Share a view link to the mural with stakeholders to keep them in the loop about the outcomes of the session.
